lots of luck to
a living doll. It's
been a great pleasure
knowing you all
these two years.
To Bobby
you are a very
sweet girl. I hope
you always stay just
as sweet as you are now
Best of Luck
W.B.

This is Warwick—familiar corridors,
Windows, rooms, and stairs you know;
The buildings whose friendly faces greet you
Often as you come and go.

This is Warwick—the administration
Who help to guide you through the week;
The classes, the teachers that give to you
The greater part of the knowledge you seek.

This is Warwick—the S.C.A.;
The school activities you observe,
The clubs and committees which offer you
An opportunity to serve.

This is Warwick—the football field;
The baseball diamond, the basketball court,
The roar of the crowd you hear as you watch
The Farmers playing your favorite sport.

This is Warwick—the names, the faces,
The many peoples whose friendly calls,
Mixed with laughter, go ringing down
The labyrinth of crowded halls.

This is *your* school—the bright spots
As well as the day-by-day routine;
Individuals united by
The spirit that colors the "Warwick scene."

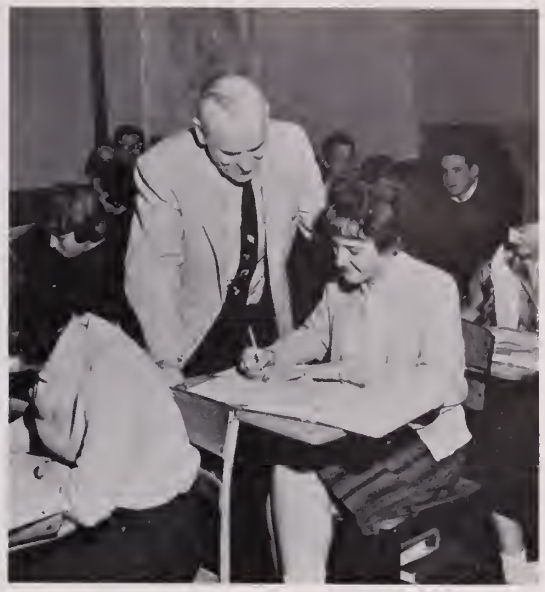
dedication...

The WARWICK Staff is proud, and happy, to dedicate the 1961 WARWICK to one who has contributed a part of himself to the students of our school. He is one who has a great faith, hope, and trust, in young people as individuals of honor. The high standards which he has set for himself in his life are those which he unceasingly aids the student in achieving.

He is one who is devoted to his work in the field of math, and who constantly puts forth an unselfish effort to keep Warwick High School a superior place of learning. He is one who has infused, with his deep understanding and warm graciousness, all that the students have done.

To one who has won the respect and admiration of the students and faculty alike . . . To one who is a counselor and friend . . . We dedicate the 1961 WARWICK TO COLONEL E. P. ARCHIBALD.



This is Warwick . . . abilities displayed . . . busy students . . . the conscientious teachers . . . enjoyment of working together . . .

administration

DR. R. O. NELSON, superintendent of schools.

The Newport News public school system was this year under the direction of Dr. Robert O. Nelson. Dr. Nelson and his four assistants worked to strengthen the educational program of our city.

The four qualified men who aided Dr. Nelson were as follows: Mr. T. Ryland Sanford, Jr., Assistant Superintendent for Business and Finance; Mr. Charles B. Shreeves, Assistant Superintendent for Curriculum and Instruction; Mr. Samuel D. Green, Assistant Superintendent for Maintenance and Planning; Mr. George McIntosh, Jr., Director of Personnel.

The duties of these men were varied. They included investigating the courses of study that we the students undertook; making the necessary purchases for the schools; supervising the payroll department; taking care of loans for land sites on which future schools are to be built for our ever increasing population; being responsible for the numerous improvements on our schools; and interviewing prospective teachers and other necessary personnel to the school system.

STANDING, left to right: Mr. C. B. Shreeves, Mr. S. D. Green, Dr. R. O. Nelson, Mr. T. R. Sanford, Jr., and Mr. G. J. McIntosh.
SEATED: Mr. W. R. Scull, Mr. T. F. Pullen, Jr., Mr. R. M. Saunders, Mr. J. M. Dozier, Mr. R. T. Yates, and Dr. W. T. Watkins.

principals

From left: Mr. George Richards, Principal, Mr. Clarence Davis, Mr. William Formanchelli, Assistant Principals.

Warwick High School welcomed a new principal this year, Mr. George G. Richards, who was formerly principal of Pearisburg High School, Pearisburg, Virginia. He was readily accepted in the school system.

Mr. Richards was ably assisted in the administration of the school by Mr. C. A. Davis, assistant principal, and Mr. Formichelli, acting assistant principal.

Mr. Davis has made innumerable friends during his twenty years as a member of the faculty and administration. Among his various duties, he is in charge of disciplining the students and repairing lockers.

In charge of the book store and attendance records was another familiar face, Mr. Formichelli. In the past he has been a teacher and an athletic director. This was his first year with the administration.

Mr. Formanchelli is busy making out the absentee lists.

Mr. Richards make an appointment with an interested parent.

Mr. Davis reads over the plans for College Day.

parent-teachers association

FIRST ROW, from left: Mrs. L. S. Bowers, Jr., Mrs. George Peters, Mrs. O. M. Pompie, Mrs. I. G. Krebs.
SECOND ROW, from left; Pam Stroyan, Mrs. J. K. Fisher, Mrs. C. G. Kegley, Mr. George Richards, Mrs. A. J. Bachman, Mrs. Otho Givens.

Developing a better understanding, as well as a stronger relation between the parents and the faculty was the main objective of the Parent-Teachers Association. The result of this effort was the providing of a better education through pleasant and interesting experiences for every student. The promotion of the welfare of the youth of our community through activities at home, in church and school through civic service, was a parallel goal of the association.

In order to attain the goal of parent-teacher understanding, the P.T.A. sponsored various projects which not only brought the parents and teachers closer together, but also directly benefited the students and the school facilities. Perhaps the most highly acclaimed of these was the annual "back-to-school night." At that time the parents relived their own high school experiences by attending the various classes, meeting the teachers, having the latest methods of teaching explained and discussing problems common to all parents.

Students who expected to enter the teaching profession were able to compete for two $150 scholarships sponsored by the P.-T.A. These scholarships are awarded annually to the two most worthy graduates in each class.

The operation of the refreshment concession stands at football games was one of the organization's primary fund raising projects. The refreshment booths were operated during this season by members of the faculty and Parent-Teachers Association.

Other projects of the association were providing chaperones for school dances and other social functions, as well as assisting with driving school athletic teams to out-of-town games.

Throughout the year the P.T.A. presented outstanding speakers at each meeting in order to provide the parents with the latest information and developments in the fields of welfare, psychology, teaching, and civic service.

Every effort was made by the P.-T.A. to provide each student with a better education through improved methods of teaching, modern school facilities, and pleasant experiences.

office staff

The Warwick office staff, from left: Miss Glenda Suttle, Mrs. DeWees, Mrs. Leviner, Mrs. Crews.

Very few of the students of Warwick High ever become acquainted with the people behind the scenes of our daily routine. Most of us never realize that the Office Staff is constantly at work with the interest of us, the students, in mind.

The Office Staff was as follows: Mrs. Lucille Leviner, Mrs. John Crews, Miss Glenda Suttle, and Mrs. Robert DeWees. This small group was one of the most important in the school system. Not only did they carry on the routine office business, but they also found time to give friendly and helpful assistance to the students. They worked from 8:00 to 5:00 each day, and although the office was officially closed on Saturday, they often worked then if they were needed.

Mrs. Leviner, secretary to Mr. Richards, handled pupil attendance records, compiled and typed the absentee lists, ordered office supplies, and supervised the student assistants in the office. In charge of bookkeeping and handling of all money was Mrs. Crews, who kept accurate accounts of each of these departments. Miss Suttle was responsible for sending the senior transcripts to the colleges. She prepared all the folders and records for incoming pupils as well as the daily bulletin. Mrs. DeWees, receptionist for the office, answered the telephone, relayed messages, and took care of typing and correspondence.

We, the students of Warwick High School, thank the Office Staff for their service to the student body.

guidance department

THE GUIDANCE STAFF—From left: Miss Mason, Mrs. Kostyal, Mrs. Muire, Mr. Fleet, Mrs. Palmer, Miss Atkinson, Mrs. Oliver.

The Guidance Department, supervised by Mrs. Virginia Kostyal, was a very essential part of Warwick High School. Miss Dorothy Jean Atkinson, Mrs. Frances Oliver, Mrs. Josephine Muire, Miss Shirley Mason, Mr. Robert Fleet, and Mrs. Palmer, dean of girls, made up the rest of the competent staff, whose main job was to help students with any problems which might arise during the school year.

The duties of the Guidance Department were numerous and varied. The counselors were always ready to answer any questions the students had concerning high school credits, colleges, and scholarships. College catalogues and many other helpful booklets were available to be checked out by interested students.

One of the Guidance Department's largest projects was the sponsoring of College Day for the benefit of the Seniors who were going to college next fall as well as the sophomores and juniors who were considering college after graduation.

Another very important job of the department was heading the many testing programs throughout the course of the year.

Any student desiring information as to where he might obtain a job for the summer months, could consult one of the guidance counselors who would gladly look up the information or give suggestions of job openings.

During the year, each individual pupil had a conference with one of the counselors for the purpose of discussing future plans after graduation.

A vital part of the Guidance Department was the group of student assistants, for without their help this department would not have functioned as smoothly. Ann Plummer, Ann Center, Christine Vaughn, Judy Hawkins, Melvin Beckner, Hilda Reeves, and Joanne Davis, as student assistants, helped the department tremendously by making appointments, filing, and doing other general secretarial work. Also they were very helpful in contacting new students and making them more a part of Warwick High School.

Student assistants to the Guidance Staff take time out for a picture.

Mrs. Kostyal confers with Lynn about the credits needed for graduation.

SENIOR CLASS

As the end of our high school career ebbed to a close, we, the senior class, looked back at the wonderful memories collected through the years. Although we looked back regretfully, we also looked ahead assuredly that we would fulfill the tasks which Life would present to us.

Ours was the first class whose career at Warwick was shortened by the building of the junior high school. Because Warwick was changed to a three year high school we were all the more anxious to attend Warwick High.

With chemises we girls bounded into our sophomore year, while the boys in our class wondered when this craze would end. The great enthusiasm we had for our school showed itself when we joined our various committees, participated in sports, and were active in the drama and music departments.

Our junior year brought us the fine satisfaction that we were no longer underclassmen. The first exciting happening of the year was the ordering of our grand and glorious class rings; the excitement of this event had barely dwindled away when the rings arrived a few months later, and the hubbub began again. Of course we were all proud of the prom which we gave for the seniors. Many hours went into preparation of the prom, but we all agreed afterwards that it was worth the effort.

A strange feeling came over us as we entered those familiar halls as seniors. With mixed emotions we prepared ourselves for the future, and planned wonderful dreams we hoped one day would come true. The year passed swiftly.

Each of us, with diploma in hand, realized our high school life was a thing of the past, but the knowledge we have gained through our experiences will be a credit to us in our never ending journey toward brighter horizons.

SENIOR CLASS POEM

Written in eternity are twelve years of our lives,
Truthfully the greatest ever spent;
Though through other twelves we'll pass,
Of those we will not repent.
Like a trinkling brook into a stream we flowed,
From grammar school to Junior high; and
Then we met our river — it did before us lie,
For three more years we worried, toiled and tried;
Graduation was our first goal.
The river floated most calm and clear,
How will be our next role?
Will the ocean of life be turbulent or smooth
As we struggle toward other goals?
That boundless sea sprawls ahead;
Can we o'er pass the shoals?
We'll see our names inscribed —
Some in gold or black —
By Fate's prophetic hand,
Casually written in life's log,
A part of this wonderous band —
The Class of '61.

Nancy Coppari

SENIOR CLASS SONG

CLIMB EVERY MOUNTAIN

Climb every mountain, search high and low.
Follow every byway, every path you know.
Climb every mountain, ford every stream.
Follow every rainbow 'til you find your dream.

A dream that will need all the love you can give,
Every day of your life for as long as you live.
Climb every mountain, ford every stream.
Follow every rainbow 'til you find your dream.

A dream that will need all the love you can give.
Every day of your life for as long as you live.
Climb every mountain, ford every stream,
Follow every rainbow 'til you find your dream,
'Til you find your dream.

JUNIOR CLASS

The days of our junior year had finally arrived. As we started back to school in September, we were thrilled with the thought of becoming upperclassmen. A feeling of excitement developed as we became aware of our new responsibilities, and we were determined to put our best foot forward in our new position.

Our class contributed to the various aspects of school life with great enthusiasm. Two of our classmates were officers in the S.C.A. Others took their place as ushers, members of student government, and participants in assemblies and plays. The Junior Class sponsored a week for joining committees, which encouraged the students to serve on the various committees. Several others participated in the publishing of *The Warwick, The Earle,* and *The Plough.*

In the field of sports our boys gave their full support and helped the teams achieve victory. Our Junior girls, as cheerleaders, added their spark to the games and pep assemblies.

Probably the most memorable event of the year was the receiving of our class rings. Each band of gold, imprinted with the significant '62, held its own special meaning for us and we wore them with pride.

Months of planning were spent in preparation for the Prom which climaxed the year. We felt privileged to be given this opportunity to honor the Seniors on such an occasion. The endless hours of work required both the time and effort of every Junior, but from this we developed a greater sense of unity. Our Junior year passed all too quickly, but we can look forward to becoming Seniors and proudly wearing our caps and gowns.

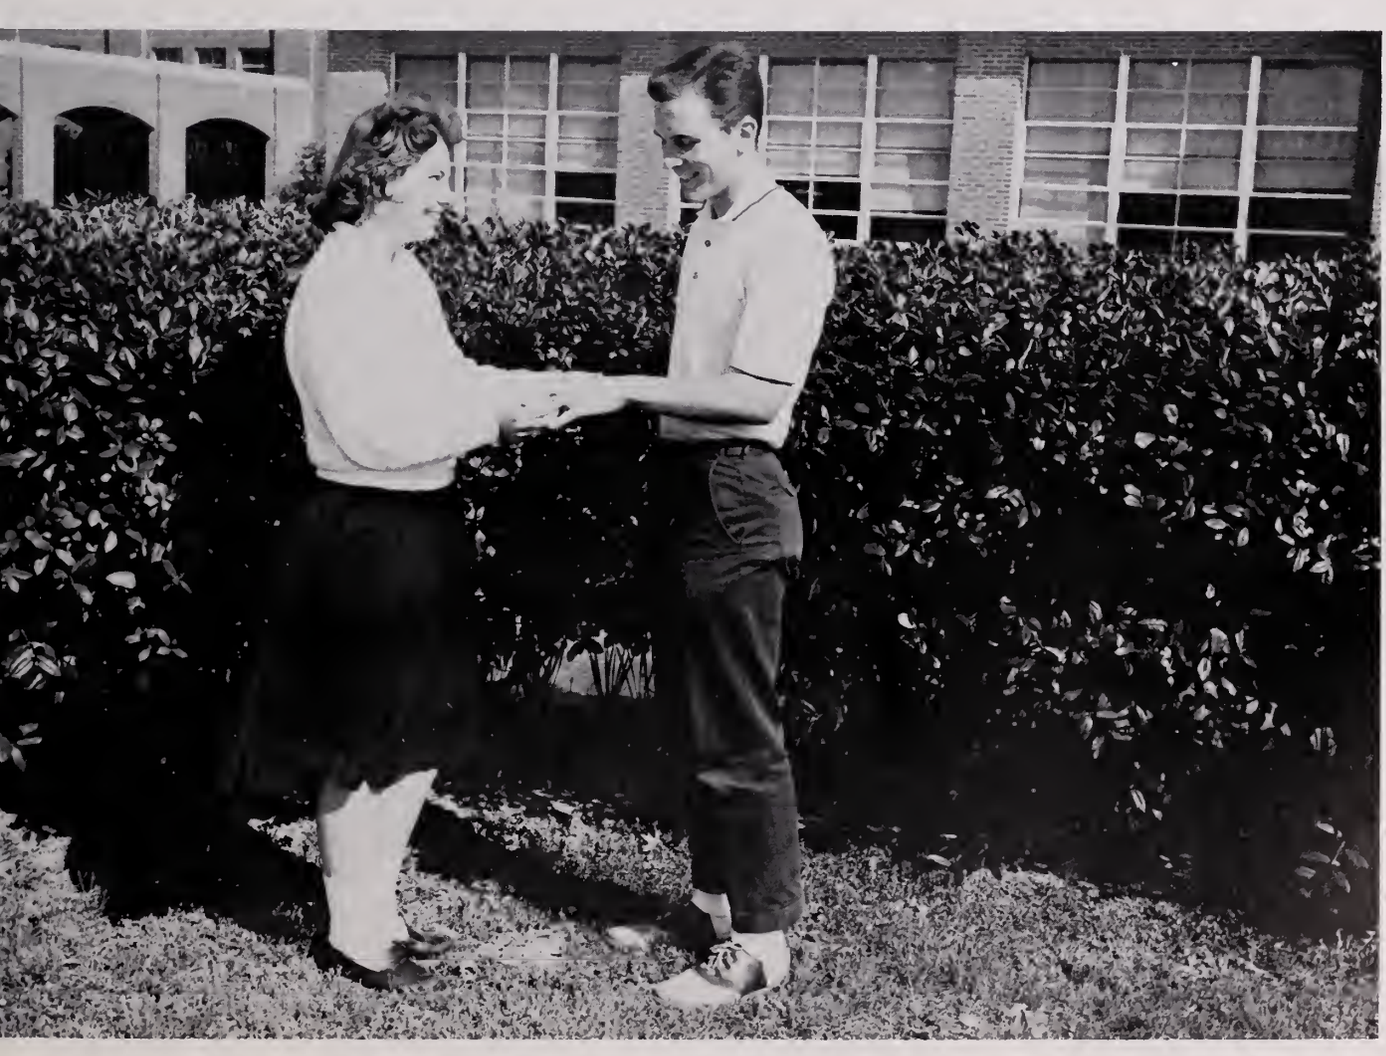
The Chicken-Coop "after hours"

The campaigns played a major part in the lives of all the juniors!



Another big day—the arrival of the junior class rings.

SOPHOMORE CLASS

At last! The big day had arrived. We proudly walked through the front door of Warwick High School feeling very important.

Yes, we were proud, but the sea of strange faces and the immensity of the school made us a little dubious. How would we ever find our way around?

Much to our surprise conditions were not like that at all. The Juniors and Seniors were very friendly and it was not difficult to find our way around at all. Even if we did get lost, once or twice, there was always someone to show us which way to go.

The year passed quickly for us. Seven of our peppiest girls were cheerleaders and a great many of our boys played on the football and basketball teams. Many boys in the Sophomore class entered into the Varsity sports which made us very proud. For some, playing in the Warwick High School band took up extra time. For the girls of our class, new sports such as hockey and fencing were introduced in gym. For the boys of our class, golf and tennis were new.

Our days were full of classes, committee meetings, and sports. Our teachers were all new as some of our subjects. We did our share supporting the teams, attending the school dances, and marveling at the wonderful acting in the school plays.

As the year slowly came to a close with exams, we could proudly say we were "real farmers." We looked forward with delight to the next year as Juniors, but it would be a long time before we would forget our first year at Warwick High as Sophomores.

EXECUTIVE COUNCIL

During 1960-61, under the capable leadership of our President, Pam Stroyan, the Warwick High Executive Council accomplished many aims. School problems were dealt with, and actions taken to help the S.C.A. committees run more smoothly.

Actually, the Executive Council cannot be considered alone. As the head of our S.C.A. Congress, it worked with Congress and the S.C.A. committees in our student government. The Executive Council acted as a "clearing house" for bills that came up, deciding which to bring before Congress. In addition to this, it approved committee activities, chose the student of the month, and helped sponsor the S.C.A. Federation "Brotherhood" week and other Federation activities.

With Congress, the Executive Council put through many bills, both continuing our Warwick traditions, and introducing new student ideas and activities. This year we hoped to increase school participation, using the motto—"Better student participation through communication."

With the generous help and guidance of our principal, Mr. Richards, and our S.C.A. sponsor, Mr. Baker, the 1960-61 Executive Council contributed much to the development of a stronger, more progressive Warwick S.C.A.

THE S.C.A. CONGRESS

During the 1960 school year, the S.C.A. Congress played a very important part in the life of Warwick High School.

The Executive Council heads the Congress along with the assistance of the officers of each class, and the homeroom presidents who were elected by the students themselves.

Congress was responsible to the student for decisions made on various issues which had direct bearing on them. Therefore, it was necessary that Congress express the opinions and ideas of the school as a while. For these purposes, meetings were held once a month to discuss such matters which arose within the school.

To recognize the important factor of wide student participation, Committee Chairmen, for the first time, became permanent but non-voting members in Congress. These heads attended the meetings to give information dealing with the activities which were in process by their individual committees.

Congress was the student government of Warwick High School which represented the desires of the students who made it what it was.

honor council

The primary goal of the Honor Council was to develop the highest sense of honor possible among the students and thereby unite them more closely.

The Honor Code, which underwent a complete revamping last year, was promoted by two committees: The Honor Council composed of selected members from the Sophomore, Junior, and Senior classes, and Honor Council Representatives from each homeroom.

The success of the honor system lay mainly with the Honor Council Representatives, for through them the Honor Code was taken to all students. Acting as the vital link between the Code and the student body, the representatives explained the Code, the purpose of the honor system, and the need for honor, truth, self-respect, and integrity to their homerooms.

Along with the Honor Council Representatives, it was felt that the Honor Cards which were distributed to every person would help support the Honor Code. More than being merely printed "Honor Cards," they were symbolic of the intrinsic honor found in each individual and acted as reminders of that honor. Every pupil was encouraged to sign his card and keep it in view during examinations—but the matter was left entirely to the individual.

The Honor Council played this year, as in past years, an important part in developing attitudes and character of the school. It has been an organization of which every person attending Warwick had the right to be proud . . .

s.c.a. federation

From top to bottom: Nancy Price, Pat Davis, Cary Flowers, Pam Stroyan, Jimmy Cowardin, Ronnie Gates, Buddy Green, Doug Livingston, J. W. Stallings.

Nancy Price, Federation President, and Pat Davis, Federation Secretary, discuss plans for Exchange Day.

In 1956 the Student Cooperative Association was formed by the three Peninsula High Schools, Warwick, Newport News, and Hampton. The main purposes and objectives of the federation are to promote better understanding and friendship among the schools, and it also creates an exchange of ideas.

The officers for the 1960-61 federation were Nancy Price of Warwick, president; Banning Crossley of Newport News, vice-president; Pat Davis of Warwick, secretary; Ann Gordon Abbott of Hampton, treasurer; Jane Boyd of Hampton, reporter; and Jimmy Moody of Newport News, parliamentarian. The federation consisted of seven student delegates with three alternates and an S.C.A. sponsor from each of the three schools.

During this past year the federation was very active and did extensive work to promote a better understanding among the schools. Special weeks were held in each school. One which was probably the most effective was "Christmas School Spirit Week" during which the homeroom doors were enthusiastically decorated by homeroom members. Other weeks, such as Americanism, Loyalty, and Honor, were also participation from the students.

The most enjoyable and constructive projects undertaken by the federation were three Exchange Days held in each school to observe work of the S.C.A. in action and promote an exchange of ideas and friendship. The S.C.A. Federation was a highly regarded asset to Warwick High.

THE PEP COMMITTEE

During the past year the Pep Committee tried to spur Warwick's many teams on to victory and to kindle school spirit among the student body. The committee made numerous original displays which served as reminders of the games and as an incentive for the team to win. During the football season, on every Friday afternoon of a scheduled game, one could find this group of boys and girls enthusiastically decorating the stadium for the evening game. With such a large membership and outstanding co-operation the Pep Committee was able to fulfill various worthwhile plans.

SOCIAL COMMITTEE

The Social Committee of 1960-1961, under the leadership of Lonna Hudgens, chairman, and Helen Brant, co-chairman, had a very successful year with the co-operation of their committee members.

This year we gave many sok-hops after football and basketball games, one of these being a "twirp" dance. We also gave two "big" dances, one each semester.

We would like to thank our sponsors, Col. Archibald, Miss Theophilos, Mr. Hill, Miss Feeman, and Mr. Baker (faculty advisor) and the student body for helping our year to be the success it was.

HOMECOMING COMMITTEE

Every Tuesday afternoon until the end of October, over 75 members of the Homecoming Committee worked to make this year's Homecoming bigger and better than ever. Under the direction of Jane Passage, the "New Look" Homecoming included an evening Pep Rally in the stadium, an assembly, and the sale of corsages. The assembly, with a cast of over 40 students, featured boys dressed like girls and girls dressed like boys. Interesting? And fun, too! Even the postponement of the game until Saturday night did not dampen the excitement which had built up for the annual festivities.

committees

THE PUBLICITY COMMITTEE

The Publicity Committee was a tremendously active group that at times during the year worked with almost every other committee in the school as well as the S.C.A. and the classes.

The committee's most effective method of publicizing an event was by the use of posters placed conspicuously throughout the school. These eye-catching posters which aroused interest, encouraged participation in the particular event forthcoming.

Thus the Publicity Committee was very instrumental in making school activities successful for the student body.

THE BUILDING AND GROUNDS COMMITTEE

The Building and Grounds Committee under their chairman, Ric Bahr, was concerned with the appearance of the school. During the year they worked on four major projects with the assistance of Coach Hubbard, their sponsor.

Having improved the outside scenery by planting shrubs and flower beds, they helped to correct the congestion in the halls and the violation of smoking regulations. Besides improving the school, they tried to gain parking privileges for the seniors. To climax the good work put forth by their committee, tennis courts were added to the Warwick High grounds.

THE REMEMBRANCE COMMITTEE

The Remembrance Committee tried to be active and worthwhile by fulfilling its original purpose, "remembering." Get well cards, sympathy cards, and birthday cards were sent to teachers and members of the student body. Also, baskets of fruit were placed in the teachers' lounges by the committee. The secret character, "Snoopy," created last year, was continued this year.

The committee was composed of hard workers who contributed unusual ideas for recognizing and expressing appreciation for the various organizations in the school.

"This is Warwick . . .!" So real is this theme and so important to any high school is an outstanding annual. This year, we, the Warwick Staff, would like to present to the students of Warwick High a completely new annual.

With the help and guidance of our sponsor, Miss Shirley Mason, the staff accomplished much through its times of "trial and error." Selling ads, drawing pages, and meeting deadlines were just a few of the duties involved in preparing "The Warwick" for its audience — you, the students.

To carry out our theme, "This is Warwick . . .," the staff decided to have a distinguished cover, using the school colors of maroon and gold.

Gay and Cary check senior pictures with the picture editor, Martha.

Miss Mason, Margie, and Judy select pictures for the divider pages.

Judy leaves the staff room to send the final copy of "The Warwick" to press.

The divider pages and foreword naturally carried out the significance of the theme; thus our first and last thoughts were of Warwick High. We decided to add a bit of color by presenting, on the end sheets, a tinted picture of the school taken at night.

Judy, our Editor, worked hard to organize the staff and "get the ball rolling." After drawing up the pages, the mad scramble of taking pictures was unscrambled by Martha, the Picture Editor.

Vicky, Advertising Manager, had the never-ending battle of organizing the advertising campaign and positioning the copy and pictures for the ads, while Jeanette, the Business Manager, was busy keeping the books in order, fulfilling her position. As usual, we had the problem of financing our annual. Everyone had to work especially hard selling ads and getting subscriptions from the students.

Margie, Assistant Editor and Copy Editor, assigned copy to the officers of the various organizations throughout the school. Each member of the staff was also given copy to write as part of her job.

After the staff enthusiastically completed the last pages and met the last deadline, the long wait through the summer seemed endless. At last your WARWICK has become a reality! We hope you enjoy this yearbook and treasure it with the fondest memories.

the earle staff

Miss Callahan, sponsor of the *Earle,* pauses from her work for a quick glance at the camera.

Rush! Rush! This motto of the fifteen *Earle* staff members showed how busily they worked, with the aid of their sponsor, Miss Lois Callahan, not only during their official business hour, but also before school . . . and during lunch, of course. Neither were their labors confined to regular school months, for they also worked several weeks during the summer to give the students the issue of the paper which appeared the first day of school.

Two new members of the hectic *Earle* family made their appearance this year. They were a photographic developer and a new Polaroid camera, the latter article bought with profits from activity tickets and advertisements in the paper. Yes, for the first time since the paper was instituted, the staff finished a year in the "black" column of the business ledger.

A highly successful year was enjoyed by the *Earle,* not only in the financial department, but also in increased student interest, a natural result of better news and picture coverage. This student interest was partially demonstrated by those whose names appeared in the "Letter to the Editor" column of the bi-weekly paper. Interest was also aroused by several projects of the staff. The *Earle* featured National Newspaper Week in articles and letters from officials. A mock political campaign was also the "brain child" of the staff, and the members worked hard to make it a success, putting up posters, sponsoring a campaign rally in the breezeway, and carrying on heated discussions during the staff period.

The effort of the staff members and the enthusiasm of the faculty and student body went a long way towards writing the successful 1960-61 chapter in the *Earle's* book.

the plough staff

Miss Callahan, the sponsor of the *Plough,* gives last-minute instructions to Ginny, the editor.

Under the leadership of its sponsor, Miss Lois Callahan, the 1960-61 *Plough* Staff, worked enthusiastically and earnestly in order to produce three magazines during the year. The first issue, dedicated to Mr. Barclay Sheaks, was distributed early in December.

Composed almost entirely of new members, this year's Advanced Composition class had many new ideas and abilities to offer to the *Plough* staff. Although these students had never before read and criticized stories, poems, and essays, they became proficient at doing so. On this staff, composed of nineteen members, the Junior class was better represented than in the previous year.

An extensive publicity campaign was waged among the student body with a new "stunt" to introduce each new issue of the *Plough.* Everything from a sad-eyed dog to footprints were used to make the school aware of its magazine. This resulted in various contributions from the students which provided more variety in the publication. For even more variety, the Fall issue re-introduced color to the cover, rather than the conventional black and white of the past year. This policy was continued for all three issues and was received enthusiastically by the student body.

With the suggestion of the 1960 S.I.P.A. critics and the help of the art department, the staff tried to include more art work in the magazine. With the motto "Quality Always," the *Plough* Staff made an all-out effort to improve the magazine and to make it one of which you, the students, would be proud.

Melissa and Susan work happily at their proofreading.

During 1960-61 the Ruby Altizer Roberts Chapter of the Quill and Scroll had varied projects to acquaint the students with its purpose. The capable leadership of Miss Lois Callahan, sponsor, and Jane Passage, president, enhanced the success of the Chapter.

The Warwick Quill and Scroll is made up of students from the three publication staffs: "The Earle," "The Plough," and "The Warwick." Business meetings were held twice a month to plan for all projects.

The Chapter's first project for the year was a bulletin board display for the observance of National Newspaper Week. Mr. George Passage spoke at the fall banquet held for the staffs. Also there was a joint meeting of the staffs' department heads to exchange ideas and promote better understanding of the work done by the three publications. An assembly was sponsored by the Quill and Scroll in the spring for the purpose of tapping new members and presenting a humorous skit.

The Quill and Scroll extended its influence throughout the school and brought its meaning closer to the students.

As the curtain opened on another year in the Warwick Playhouse one recognized many changes. At the beginning of the year the Playhouse applied for membership in the nationwide high school dramatics organization, The National Thespian Society. On March 3, 1961, The Playhouse officially became Troupe Number 394 of The National Thespian Society. All of this year's Playhouse members were initiated as charter members of the Thespians here at Warwick High. Also new to the drama department this year was participation in the statewide one-act play competition.

Under the leadership of Mr. Vaughan Gary and Mr. James Daughety, the Playhouse accomplished a great deal. The fall play, *The Diary of Anne Frank,* was a tremendous success. Instead of having one-act plays, exerpts were given from several three-act plays, one of which was entered in the state competition. The spring production, a farce called *See How They Run,* was also enjoyed by everyone.

Apart from working on productions, The Playhouse enjoyed attending several community plays and Broadway road-show productions.

The 1960-61 ushers enjoyed an extremely full year as they donated their services at the varied school functions. They served not only at the assembly programs, but also at plays, concerts, college day, and at graduation. In order to become an usher, one must have above average grades in all subjects, as well as being approved by his teachers. In addition to these, the applicants had to possess a neat appearance, poise, and a pleasing personality.

Soon after the school year started the head ushers were chosen by the entire group, under the capable guidance of Mr. Barclay Sheaks, the sponsor. Chosen were Donna Sibley and Bobby Sherman, who made schedules for the assemblies, called meetings, and appointed ushers to serve at all school functions.

The thirty ushers, fifteen boys and fifteen girls from the Junior and Senior classes, considered their job a privilege and responsibility which all enjoyed. Being an usher was also a great honor which each accepted seriously.

The A Cappella Choir, under the direction of Mrs. Mary Jane Cofer, will remember this exciting year for many years to come.

Our fall Homecoming concert and our beautiful Candlelight Christmas concert were warmly received by all. We enjoyed being a part of the Yule time festivities by lending our voices. For during the week before Christmas vacation the A Cappella presented traditional carols and other music to both lunch periods; we also walked through the halls of Warwick near the close of the day and caroled to all the classes.

During the year the choir sang for a number of organizations. Our first engagement was at a banquet beginning the P.U.F. drive. When Warwick High School was host to the S.C.A. Federation of Newport News, Hampton, and Warwick in December the A Cappella Choir presented a special program of Christmas music.

The regional music festival was held in Hampton High School in February with Newport News, Hampton, York, Williamsburg and Warwick High Schools. This was truly a wonderful experience for the forty-five members of our A Cappella Choir, who attended the festival. To Mrs. Cofer we give our deepest vote of thanks.

The Band displays their new uniforms at the Thanksgiving Day game.

For the past several years the members of the Warwick High School Band have tried to create a genuine English marching and concert band. This objective was extremely difficult to achieve. The addition of new uniforms, at the end of the football season, greatly helped them meet this goal.

The band displayed their new uniforms, which were modeled after those of the Royal Scottish Guard, at the Thanksgiving Day game. This event was the highlight of the band's year.

The musicians at Warwick again participated in the annual All State Band tryouts. They obtained more membership than they ever had before.

The winter activities of the band included the successful Mid-Winter Concert and the Stephen Foster Assembly which was by far one of the best ever presented.

Participating in the All State and Workshop Band, held early in February at Wilson High School, was the first event of the new year. Following this was the most important concert of the year, the Peninsula Solo and Ensemble Festival, held at Newport News High School. There was more participation by Warwick's soloists than any other year in the history of the band.

Another important phase in the band's schedule was the annual trip to the Apple Blossom Festival at Winchester, Virginia. As the band marched by with their new royal Scottish Guard uniforms, many words of praise were heard from the crowds.

As the band's schedule came to an end, they had two final presentations. The first one was the Sunday Concert at the Mariner's Museum. Playing at the Graduation Ceremony ended a memorable year for the Warwick High School Band.

When the fighting Farmers fell in line at the beginning of the 1960 football season, Warwick High School students saw them off to a great start. Under the capable coaching staff of Romie Hamilton, Jim Snow, and Bob Conway, the hustling "Staters" were able to down their first four opponents: Oscar Smith 8-6, Maury 20-14, Wakefield 20-6, and Granby 34-24, respectively. They fought a hard battle and each time they came from behind to tally their winning scores.

Defeat was first seen on Norview's home field when "Warwick's Eleven" were unable to ground the Pilots. This was only the beginning, for the Farmers were overcome again as fans saw Warwick play Newport News of the "Free Staters" gridiron for the first time. It was Warwick's homecoming game, which ended with a score of 18-7, the Typhoons returning home as the victors. Their third defeat occurred when they traveled to Roanoke, where Jefferson Senior out-scored them 27-0.

Toward the end of the season, injuries slowed down the team. But as the twelve seniors played their fi-al game, the Farmers defeated York 7-6, ending the season with a record of 5-3-2.

With the leadership of two excellent quarterbacks, outstanding runningbacks, and the hard hitting Farmer line, our 1960 football players made their fellow students proud to be spectators and supporters of a first-class football team.

Team effort made victory possible for Warwick.

Coach Thompson plans for the future with juniors David Walker, Conway Smith, Bill Bowman, Sid Lambiotte, and Mike Challoner.

Warwick's basketball team experienced a thrilling year. Out of the thirteen players that composed the team, eight were new-comers. The remaining five were the Seniors, Larry Brady, Larry Grizzle, Charles Snead, Tyke Theophilos, and Allen Vann.

The season opened with our playing York at York High. We won that game 67-37. The next two games were victories but then Cradock had a victory with a score of 54-49. We came back to win the next two games only to lose to Hampton, 53-51, in a very exciting game. With an undying spirit, the team went on to beat Newport News, 64-55, for the second year in a row. From this time until the end of the season the team had an "off again on again record." Our victory over Hampton, 46-33, completed the season.

The team went to the Eastern District Tournament in sixth place. At the Tournament, we beat our first two opponents, Cradock 65-44 and Maury 47-41. Warwick played Wilson for the Championship. Although we lost the game 50-45, we placed second in the tournament, which allowed us to go to the State Tournament.

At the State Tournament held in Charlottesville, we beat Highland Springs 59-43. The following night we lost to Wakefield 37-38. On Saturday, we played the Consolation Game against Wilson. This time we beat Wilson, 39-37, in one of the most exciting games of the year, placing the Farmers third in the entire State.

The "Big-Five" completed the year with the following averages: Charles Snead, 13.9; Allen Vann, 10.8; Larry Brad, 10.5; David Walker, 5.7; and Tyke Theophilos, 5.2.

Added to Warwick's impressive record, were the various awards received by the team or individual members. The team was the co-winners in sportsmanship in the State. Snead was on the All Peninsula team and got honorable mention in the district. Brady was All-State and got honorable mention in the district. Vann, who was an outstanding new star, was All Peninsula, All-State and on the All-State tournament second team.

The Warwick High School basketball team was a credit to the school, reaching higher goals than ever before.

Mr. Richards wishes the team "good luck" as they leave for Charlottesville.

Here come the juniors, "Woo, Woo, Woo!" From left: Sandra Fitzgerald, Betsy McIntosh, Karen Ivins, Sally Goodwin, and Phyllis Verell.

Smiling seniors, Nancy Curtis, Joan Mitchell, Lonna Hudgins, and Pam Stroyan look back on past memories.

"Is everybody happy?" was the question asked the students so many times by the Varsity cheering squad during 1960-61. The answer was always an enthusiastic "Yeah, man!" and the cheerleaders played a big part in promoting that sports happiness. These girls stayed in perpetual motion as they went through the gestures of their cheers, jumping, yelling and motioning the teams on to victory.

Their co-ordination and balance were achieved only through constant practice. Even during the summer they were to be found hard at work learning the movements of the various cheers, untiringly rehearsing the victory jumps, and vigorously increasing their lung power.

The nine girls, four seniors and five juniors, were chosen late in the preceding school year by the Executive Council, graduating cheerleaders and members of the faculty, during two-day tryouts which included semi-finals and finals. They were judged on the basis of neatness, cheering ability, spirit, grades and a paper each wrote on "Why I want to be a Cheerleader."

Besides taking part in the ceremonies of the games, they also enjoyed participating in a Homecoming pep rally at which they burned the traditional Typhoon football player dummy. Other activities included several pep assemblies, which demonstrated their verve and originality. They appeared in several disguises, one of which was that of the British hunters, complete with safari hats and rifles, in search of the Wakefield Warrior. The pepsters were also privileged to make trips so that they could support the teams at out-of-town games.

The maroon skirts and white sweaters of the girls became familiar sights to fans at Warwick High School football games. Their megaphones carried their shouts to the very back rows of the stands while the maroon and gold crepe paper pompons added color and sparkle to the scene. During basketball season, the crowd viewed the cheerleaders in their uniforms completed by maroon vests and tennis shoes as they rooted for the Farmer cagers.

The vigor, vitality and energy of these school leaders showed that they put their hearts into their favorite job—cheering. Always striving to keep good sportsmanship foremost in the minds of the fans, each individual on the Varsity cheerleading squad worked with enthusiasm and dedication to make all the students proud of their school.

Warwick's wrestlers under the instruction of coaches Romie Hamilton and Bob Hasinger, completed the season with a 6-3-1 dual mat record. Their only tie was with the longtime State Champion Granby.

With 64 points, Warwick placed fourth in the Eastern District. Warwick also brought home a third place trophy from the State Tournament with a total of 61 points. At both the District and State Tournaments, the team had three individual mat champions which were more than any other team.

The varsity team was Larry Smith, 98; Billy Fletcher, unbeaten in two consecutive years, 106; Ron Yeatts, 115; Connie Powers, 123; Eddie Barefoot, 127; Lloyd Franken, District and State Titlest, 136; Jimmy Cowardin and Jennings Handy alternating at 141; Ned Ball, 148; Ronnie Thomas, 157; Andy Williams, 168; Frankie Emmanuel, District and State titlest, 178; and heavy weight Wayne Lewis. Of the thirteen varsity members only three, Yeatts, Powers, and Franken, will not be returning next year.

cross country track

During the past year, the cross-country track team finished their season with a one to three record for their dual meets. Warwick's four dual meets were run against Newport News, William and Mary freshmen, Southampton, and Hampton. The only victory was held over Southampton, with a score of 23-25. Kirby Harrison placed first, and Ric Bahr was third in this meet.

Kirby Harrison, Ric Bahr, Louis Capps, Steve Gill, Andy Kowalski, B. B. Underwood, Chip Barnett, George Edwards, Ronnie Gated, Claude Harrison and Jimmy Verser composed this freshman, sophomore, and junior team.

Warwick placed fifth in the Eastern District meet, and the boys also ran in the Wakefield Invitational meet.

At the last meet of the season, the State meet, held at William and Mary, Warwick placed tenth with 236 points. Ric Bahr, B. B. Underwood, and Kirny Harrison proved to be the top three winners. This year twelve boys were awarded letters.

With the good prospects of our boys, next year Warwick is looking forward to a strong, championship team.

INDOOR TRACK

During the past year the Indoor Track team, coached by Jim Hubbard, participated in two indoor meets, the CJI and the SG. In the first, the Chesterfield Jaycees Invitational track meet held in Richmond, on January 20, Warwick took two first places, narrowly missing a third. Eddie Harper brought home the first gold medal in the fifty yard dash, Bobby Kaiser won the high jump with five feet eight inches. Jimmy Verser narrowly missed another first as he was beaten out at the tape. Sophomore B. B. Underwood took a fourth place in the mile and our mile relay team took third.

On February 11, at the VMI Fieldhouse, Warwick placed fourth in the state. Eddie Harper was barely nipped at the wire and finished second in the sixty yard dash with Buddy Kays taking fourth. Bobby Kaiser tied for second in the high jump. In the mile relay, Jimmy Verser, Ric Bahr, Steve Gill, and Bobby Brown brought home a fourth place. Eddie Harper, Ric Bahr, Buddy Kays and Bobby Brown brought in the only state championship in the 880 relay in a very fine time of 1:38.4.

Up and over, Bob—

Max wins again!!!

Is it a tie?

OUTDOOR TRACK

It was said by many that Warwick's outdoor track team was the most improved team in the state during the past year. Coach Jim Hubbard faced the terrific job of rebuilding the team after losing many of his star runners through graduation.

In the dual meets, Warwick brought in four victories, suffering only two defeats to our arch rivals, Hampton and Newport News. Max Taback set a school record in the discus with a powerful throw of 166'8". Against Newport News, junior Buddy Kays tied the school record in the 100 yard dash. Kirby Harrison ran a 4:37 mile against Hampton in the fastest time ever clocked by a junior.

Later in the season, Warwick showed a great deal of improvement. In the Eastern District Meet, the Farmers tied fourth place with Norview. Max Taback and Bobby Kaiser took first place in the discus and high jump, respectively.

Warwick surprised the state in the State Group 1-A Meet by bringing in a third place. A school record was set in the mile relay at this meet by Larry Brady, Ric Bahr, Steve Gill and Bobby Brown. Steve Lowe finished third in the pole vault to set a new school record.

Coach Hubbard looks forward to next year with optimism.

baseball

Warwick's victory over St. Vincent, 19-0, started the season for the 1960-61 Varsity Baseball team.

The Farmers faced defeat only twice, both times to Newport News, 1-0 and 8-7. Their steady efforts produced an over-all result of 12-3 and an Eastern District record of 9-1. After tying Hampton for the Eastern District Championship, the playoff game ended in Hampton's favor 6-2.

Warwick's outstanding team boasted only five seniors: Larry Grizzle, Warren Vick, Howard Hall, and the co-captains, Bill Eubank and Melvin Renn.

The best pitching record was set by pacing junior, Larry Gammon, who secured a seating in the All-Peninsula Team. Other All-Peninsula Team members were C.V. Mayer, centerfielder, who produced the best batting average of .371; Artie Peck, Warwick's shortstop; and James Douglas, catcher, who received honorable mention on the team.

Melvin Renn, third baseman and the only senior to make All-Peninsula Team, and Warren Vick, the Freestater's left fielder were other outstanding players.

After the success of the Farmers this past season, Coach James Snow is expecting equally fine results from the 1961-62 team, which will include: Larry Gammon, Joe Stillwell, Jerry Jackson, C. V. Mayer, Artie Peck, and James Douglas.

The rough and ready Warwick sluggers pause for a moment.

Mr. Cox shows Walter Silverston and Jimmy Douglas new pitching methods.

With an over-all record of nine wins and three losses and a district record of nine wins and one loss, the Warwick High School Golf team foursome, composed of David Wheeler, Rusty Bryant, Brooks Carter, and Ronnie Gerringer, and alternates Andy Dees and Senior Paul Davis, ended with an impressive record for the season. In the regular season championship the team finished by tying Hampton for fifth place in the Eastern District Tournament and again tying Hampton for sixth place in the State Tournament. In both the Eastern and the State tournaments the four shot a 636 or an average 79½ shots per man, per round.

Although the team, as a whole, did not win any championship, Ronnie Gerringer took both the Individual Eastern District and the Individual State crowns. The State crown has been won by Gerringer three out of the four years he has participated on the team. For four consecutive years he has won the individual championship in the Eastern District also.

Next year, although the team will lose many of its players including Ronnie Gerringer, due to graduation or change of schools, Warwick High looks forward to another successful year.

Knock it right in, Paul!

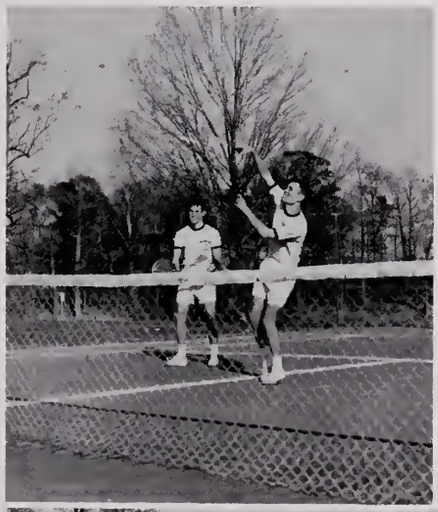
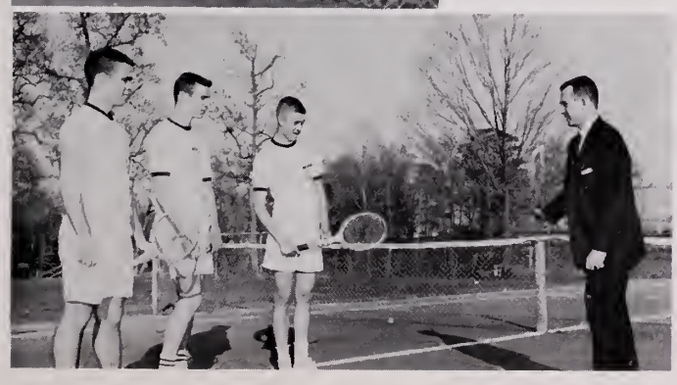
Anyone for a game of doubles?





Rick, Charles, and Jack observe as Mr. Chauncey demonstrates correct tennis form.

An alert player returned a serve with a fast, well placed ball, giving the Warwick "netters" one victory out of many which they claimed during their past season.

The team, which was composed of six seniors, four juniors, and four sophomores, achieved the best over-all record in the history of Warwick High. In the District they held a record of seven wins and one loss, while their over-all record was nine wins with one defeat.

For the three years Coach Chauncey has been with the team, this year was the first time that they defeated Maury and Norfolk Academy. Their only loss went to Suffolk, which was the third match of the season. The Suffolk team went on to win the State Championship. Our team, however, ranked among the top four teams in the State.

Many times during the year they traveled away to play their matches, but home matches were played on the courts at Huntington Park.

With four returning lettermen on the team for the coming year, the outlook for a good season is bright, and a challenge for maintaining their history-making record presents itself.

The Warwick High School Junior Varsity football, basketball, and baseball teams ended their respective seasons, carrying impressive records. After weeks of strenuous training, the J.V. football team opened its season against Wilson High School. Mr. Hasinger, who coached the Jayvees, kept a watchful eye for weak points, and helped the team overcome its weaknesses. He worked to strengthen both the defensive and offensive plays of the team, and as the season progressed, the record improved. The co-captains of the team were chosen at the beginning of each game, and and they strived to keep the players working together as a unit.

The J.V. basketball team scheduled the same teams as the Varsity squad this year. The Jayvees played these games immediately preceding the Varsity games. Donald Butler and Howard Wiseman, co-captains of the J.V. cagemen, led their teammates to victory in nine games. The team was drilled on vital plays and techniques by the coach, Mr. Jim Snow. Mr. Snow trained the players by constant practice and encouraged them to work together. At the end of the season, Donald Butler, Mike Challoner, and Sid Lambiotte were promoted to the Varsity team. These boys also accompanied the team to the State Basketball Tournament in Charlottesville, and they gained quite a bit of experience in tournament games.

The J.V. baseball team officially opened its season by defeating York High School. The team began training in early spring, under the direction of coach Bobby Conway. The team's record was five victories, four defeats, and one tie. The players worked to improve their skill in the field, as well as to raise their batting averages. They exhibited this skill in the games with George Wythe and York, both of which were Farmer victories.

The Warwick athletic program for Junior Varsity sports was designed to aid the coaches in preparing the players for future varsity teams. The boys gained experience, and familiarized themselves with the fundamentals of the sports. They also learned the various plays and the importance of working together as a team. The coaches strived to teach the factors which bring victory, but above this, they tried to teach the importance of good sportsmanship.

J.V. CHEERLEADERS

Enthusiasm "plus" could be seen in the bright smiles of our J.V. Cheerleaders. Leading the spectators in cheers the nine vivacious girls cheered the teams to victory.

Besides cheering at assemblies and at pep rallies, they also presented amusing skits to the students. Behind their skits and assemblies one would find long hours of practice and hard work.

The Squad, led by two co-captains, consisted of two juniors and seven sophomores with all nine cheering for the first time. They accompanied the teams to several away games, representing Warwick High well by promoting good sportsmanship and school spirit.

These girls were surely a deserving group, for they always did their very best in helping the J.V. teams become the victors.

Happy looking foursome, aren't they?

The Girls Recreation Association had its most successful year to date, with over 500 girls participating in the teams and individual sports.

This organization welcomed the unskilled as well as the skilled to participate in field hockey, fencing, archery, tennis, track and field events, basketball, volleyball, and softball.

Many oportunities were provided for leadership as each activity had two student leaders, one for the tenth grade, and one for the eleventh and twelfth grade girls.

As a climax to the intramural program a team from each class was selected to play Newport News High School girls in field hockey, basketball, and volleyball. Other extra-mural activities were the annual track meeting of the three city high schools, and the Tidewater Field Hockey Clinics and Tournament.

Awards consisting of a school letter, stars and sportsmanship medals were earned by those who met the requirements of the G.R.A.

homecoming

The stars of the Homecoming Assembly go through the "Charleston" scene.

Miss Connie Hutchinson, the 1960-61 Homecoming Queen.

The 1960-61 Homecoming was one of many "firsts" which gave it added excitement. The entire proceedings were planned by Jane Passage, with Mrs. Conway and Miss Neece as sponsors. The week began by the sale of Chrysanthemums by band members. This "first" created a great deal of enthusiasm among the students, adding to the already present spirit.

A pep rally attended by over 400 students was held the Thursday night preceding the game. The cheerleaders were present and with the aid of various football players, they presented a colorful skit. The rally, another "first," held on the football field, was planned and carried out by members of the pep-rally sub-committee.

Friday morning, an original play was presented in the auditorium. Over 40 people appeared in "Were You There," a three act drama of past and future "Farmers." In the second act of the play, the 1960-61 homecoming court was presented.

The "high spot" of the week was, of course, the crowning of the homecoming queen at our diffcult and unsuccessful football game with rival, Newport News. By a vote of the team, the queen crowned at halftime of this exciting game was Connie Hutchinson. The student body was proud to have as their Homecoming queen such a lovely girl.

The 1960-61 Homecoming at Warwick High will long be remembered by all as one of the best ever, because of the enthusiastic efforts made by everyone concerned.

MERIT SCHOLARSHIP FINALIST

Nancy Curtis

Personality, character, and intelligence have combined to make David Norman Baltimore one of Warwick's most outstanding Senior Leaders.

David's friendly manner and classic sense of humor have brightened the social and academic life of many. His possession and use of a high scholastic ability have provided him with a promising future at V.P.I., where he will major in chemical engineering. This year David was vice-president of the Science Club.

Another of David's talents is his musical ability. Having played his cornet for the High School Band for three years and All-State Band for four years, he is planning to join the tech band.

Larry DeWitt Brady has maintained an outstanding record athletically and academically at Warwick High School.

Larry has played an active role in Warwick's various sports. He has lettered three years in varsity football and basketball. In his junior year, Larry was the only athlete from Warwick lettering in three varsity activities. He again repeated this outstanding achievement in his senior year.

Scholastically, Larry has had an excellent record throughout his three years at Warwick. This fine work, displaying his enthusiasm and interest, was a great contribution to our school.

Larry plans to continue his education at the United States Naval Academy. Yes, Larry Brady is truly a Senior Leader of Warwick High School.

John Stephenson Wise, Jr., with his warm, friendly smile and sincere, dependable personality, has truly earned the title of Senior Leader.

Steve has enthusiastically participated in all phases of school life. He is an excellent student with a high academic standing. Because of his fine leadership ability, he has served well in the S.C.A. Congress, in the Key Club, in various class committees, and in the position of homeroom officer.

Steve plans to enter Georgia Tech next fall, where he will major in civil engineering. With him he will take the honor, respect, and best wishes of each student at Warwick High School.

leaders

Laura Sue Baxley is a well-chosen Senior Leader for the Class of '61. Her interests and work in the F.H.A. were rewarded when she attended the national F.H.A. convention in Chicago. She served as a local and Federation officer.

The G.R.A. was proud to boast of Laura's participation in the Girls' Recreation Association. She was a member of the hockey team for three years, and earned a G.R.A. letter.

Laura also earned a letter for her work on the Cafeteria Committee. She has been a member of the A Cappella Choir, and had helped with the chapel services throughout the year.

Also she won several magazine-sales awards, and served as an usher.

Laura plans to attend William and Mary College, where she hopes to become a teacher. Laura's friendly smile and high academic standing will long be remembered by her classmates and teachers at Warwick High School.

Nancy Clarke Curtis, "Most Intellectual" of the Senior Class, well deserves the title of Senior Leader, for she has, throughout her high school career, maintained an outstanding average. During the past year, Nancy was the recipient of the Williams Scholarship to Westhampton, as well as being a finalist in the National Merit Scholarship Test.

Nancy has served her school in many ways during her three years at Warwick—as a member of the S.C.A. Congress, Junior Class Reporter, editor of the "Earle," president of her French club, and a member of the varsity cheerleading squad.

Warwick will miss Nancy's friendly smile, her cheerful "hello," and her out-going personality, but it is with a glad heart that Warwick wishes her success in the future.

Lewis Kilmer Taylor, having displayed her outstanding scholastic achievements to the students of Warwick High School, certainly deserves the title of Senior Leader.

Her mature attitude and deep concern for her fellow students have undoubtedly left a deep imprint on all of her associates.

In the literary field, Lewis has been quite active, having served on the Plough Staff as Feature Editor and having been a member of the Quill and Scroll.

She has also been active as the chairman of the Honor Council and as a member of the Girls' Chorus and Spanish Club.

Having been voted "Most Likely to Succeed" by her class, it is evident that attending Wellesley College will be her first step toward success.

Strangers in Paradise...

Diligence will get you anywhere.

Blow, Bonnevilles, blow!

Steady, people!

I could have danced all night . . .

Chaos!!

In a little grass shack in Hawaii.

Oh, what an exhausting mess!

The starry night, the soft music, and the beautiful decorations combined to produce the effect of paradise for the seniors of nineteen hundred sixty-one and their dates. Crossing a carnation-covered bridge, the Seniors became "Strangers in Paradise"; and judging by the exclamations heard, Paradise it was.

The palm branches and flowers, which were used in a unique fashion, transformed the cafeteria into a South Sea isle. Adding to the effect were the thatched huts from which cookies and punch were served by girls in native attire.

Dancing to the soft, melodic music of the Bonnevilles, the flowing gowns of the girls formed a multi-colored ocean, studded with beautiful flowers. The dimmed lights were continuously interrupted by the flash bulbs of the many Seniors trying to capture the memorable occasion on film. The class colors, gold and white, were used for the printing of the programs as well as for the low ceiling of crepe paper.

One of the highlights of the evening for many came when Melvin Beckner sang "Graduation" with the accompaniment of the Bonnevilles.

The Juniors did a truly magnificent job in planning for a prom which will long linger in the memories of the Seniors of '61.

senior day

Senior Day for the Class of '61 was held on June 1st. The day began with the Senior Assembly, entitled "Scenes We've Seen and Scenes We'd Like to See." Highlights of the Assembly were take-offs on various school practices, mock awards assembly, and the future of Senior Personalities. To close the assembly, a grand finale was presented by seven male ballet dancers. Following the assembly was the reading of the Last Will and Testament. The seniors then adjourned for a special lunch, one of the privileges of Senior Day. The remainder of the day was spent at practicing marching for graduation and for Baccalaureate. When the Seniors had mastered this "feat," they were served refreshments by the Senior Day Committee. Upon dismissal, everyone was ready to leave after a tiring, but enjoyable, Senior Day.

Distinctive

Portraiture

We of PHILLIPS STUDIOS are real proud to be a part of this fine yearbook. Also to work with a school such as WARWICK HIGH where a real fine atmosphere prevails.

A school where you will find debonair and intelligence, that marks distinction and where true individuality can not be copied.

TAYLOR PUBLISHING COMPANY
The World's Best Yearbooks Are Taylor made

As the 1960-1961 year comes to a close, we of the annual staff would like to express our appreciation to the following who have helped to publish this yearbook, THE WARWICK.

MR. KARL PHILLIPS of PHILLIPS STUDIOS for individual pictures.

MR. DICK SCHULTZ of the DAILY PRESS-TIMES HERALD NEWSPAPER for photographs.

OUR ADVERTISERS for supporting this publication.

THE TAYLOR PUBLISHING COMPANY and Mr. BILL MORGAN for their advice in the printing of this book.

THE EARLE STAFF for the use of snapshots.

THE STUDENTS, FACULTY, AND ADMINISTRATION for their interest and cooperation throughout the year.

MR. THOMAS for the printing of materials used by the staff.

MR. SHEAKS and the ART DEPARTMENT for their help with the art work.

MISS MASON for her patience, advice, and understanding which helped us to complete the year successfully.

Which one isn't the Senior??

To one of the
nicest & sweetest
girls I know.
I hope our
friendship will
always be. May
you get what you
want in the future.
Always a Friend,
Carolyn Wells '62.

Teddy:
Best of luck & success
throughout the years.
Remember all the good
times & laughs we have
had & especially in
Mrs. Perry's class.
May God Bless you
& keep you forever.
Love Ya,
